5. <u>MAG Closeout Process</u> During the closeout process for the ending of the federal fiscal year (FFY), MAG staff develop an estimate of federal obligation authority (OA) expected to be available to member agencies to use to complete programmed projects. In addition member agencies defer some projects and submit other projects to utilize the funds expected to be available. At the meeting, an estimate of current FFY OA, a listing of deferred projects and a listing of	5. For information and discussion.

projects requested for the closeout funds available will be reviewed and discussed.

6. MAG Federally Funded Locally Sponsored Projects Development Status

MAG monitors the development of MAG federally funded projects to help MAG member agencies complete the federal design and obligation process. At the meeting, a status report on MAG federally funded projects will be discussed and members will be requested to provide updates or corrections as appropriate (See Attachment One).

7. FY 2008-2011 MAG TIP Guidance Report

Each year MAG develops a TIP Guidance Report to provide member agency to aid them in developing projects for inclusion in the upcoming TIP. This report includes information on federally mandated management systems, information necessary to comply with Title IV and environmental justice requirements and information on federal funding programs and MAG programming guidelines.

At the meeting, members will be briefed on the report and be provided with a tentative schedule for the development of the draft FY 2008-2011 MAG TIP.

8. State Access Management Study

ADOT is undergoing a statewide study to look at access management for all state routes. This is of particular significance to the state routes that are currently classified as less than freeway status, such as SR-74, SR-85 and SR-87. The ADOT consultant has been invited to present information on the study.
